## Movie Name

My Rating ☆☆☆☆

GoodMovies Avg 2.5

TomatoMeter 50%

Metacritic Score 50

IMDB 5.0

There are many different types of movies, and each has its own unique appeal. Some people like action movies, while others prefer comedies or dramas. The key is to find the type of movie that you enjoy watching. There are many different types of movies, and each has its own unique appeal. Some people like action movies, while others prefer comedies or dramas. The key is to find the type of movie that you enjoy watching.

[Added to Watchlist](#)

Stretch Goal: Add ability to delete the movie.  
This will have to be a limited feature only  
accessible to Administrators

Idea is to provide a synopsis of the movie on  
this page as well as interesting information,  
such as trivia and box office.

Allows logged in  
users to give their  
own rating of the  
movie and/or add it  
to their own watchlist

Deactivate Account Confirmation

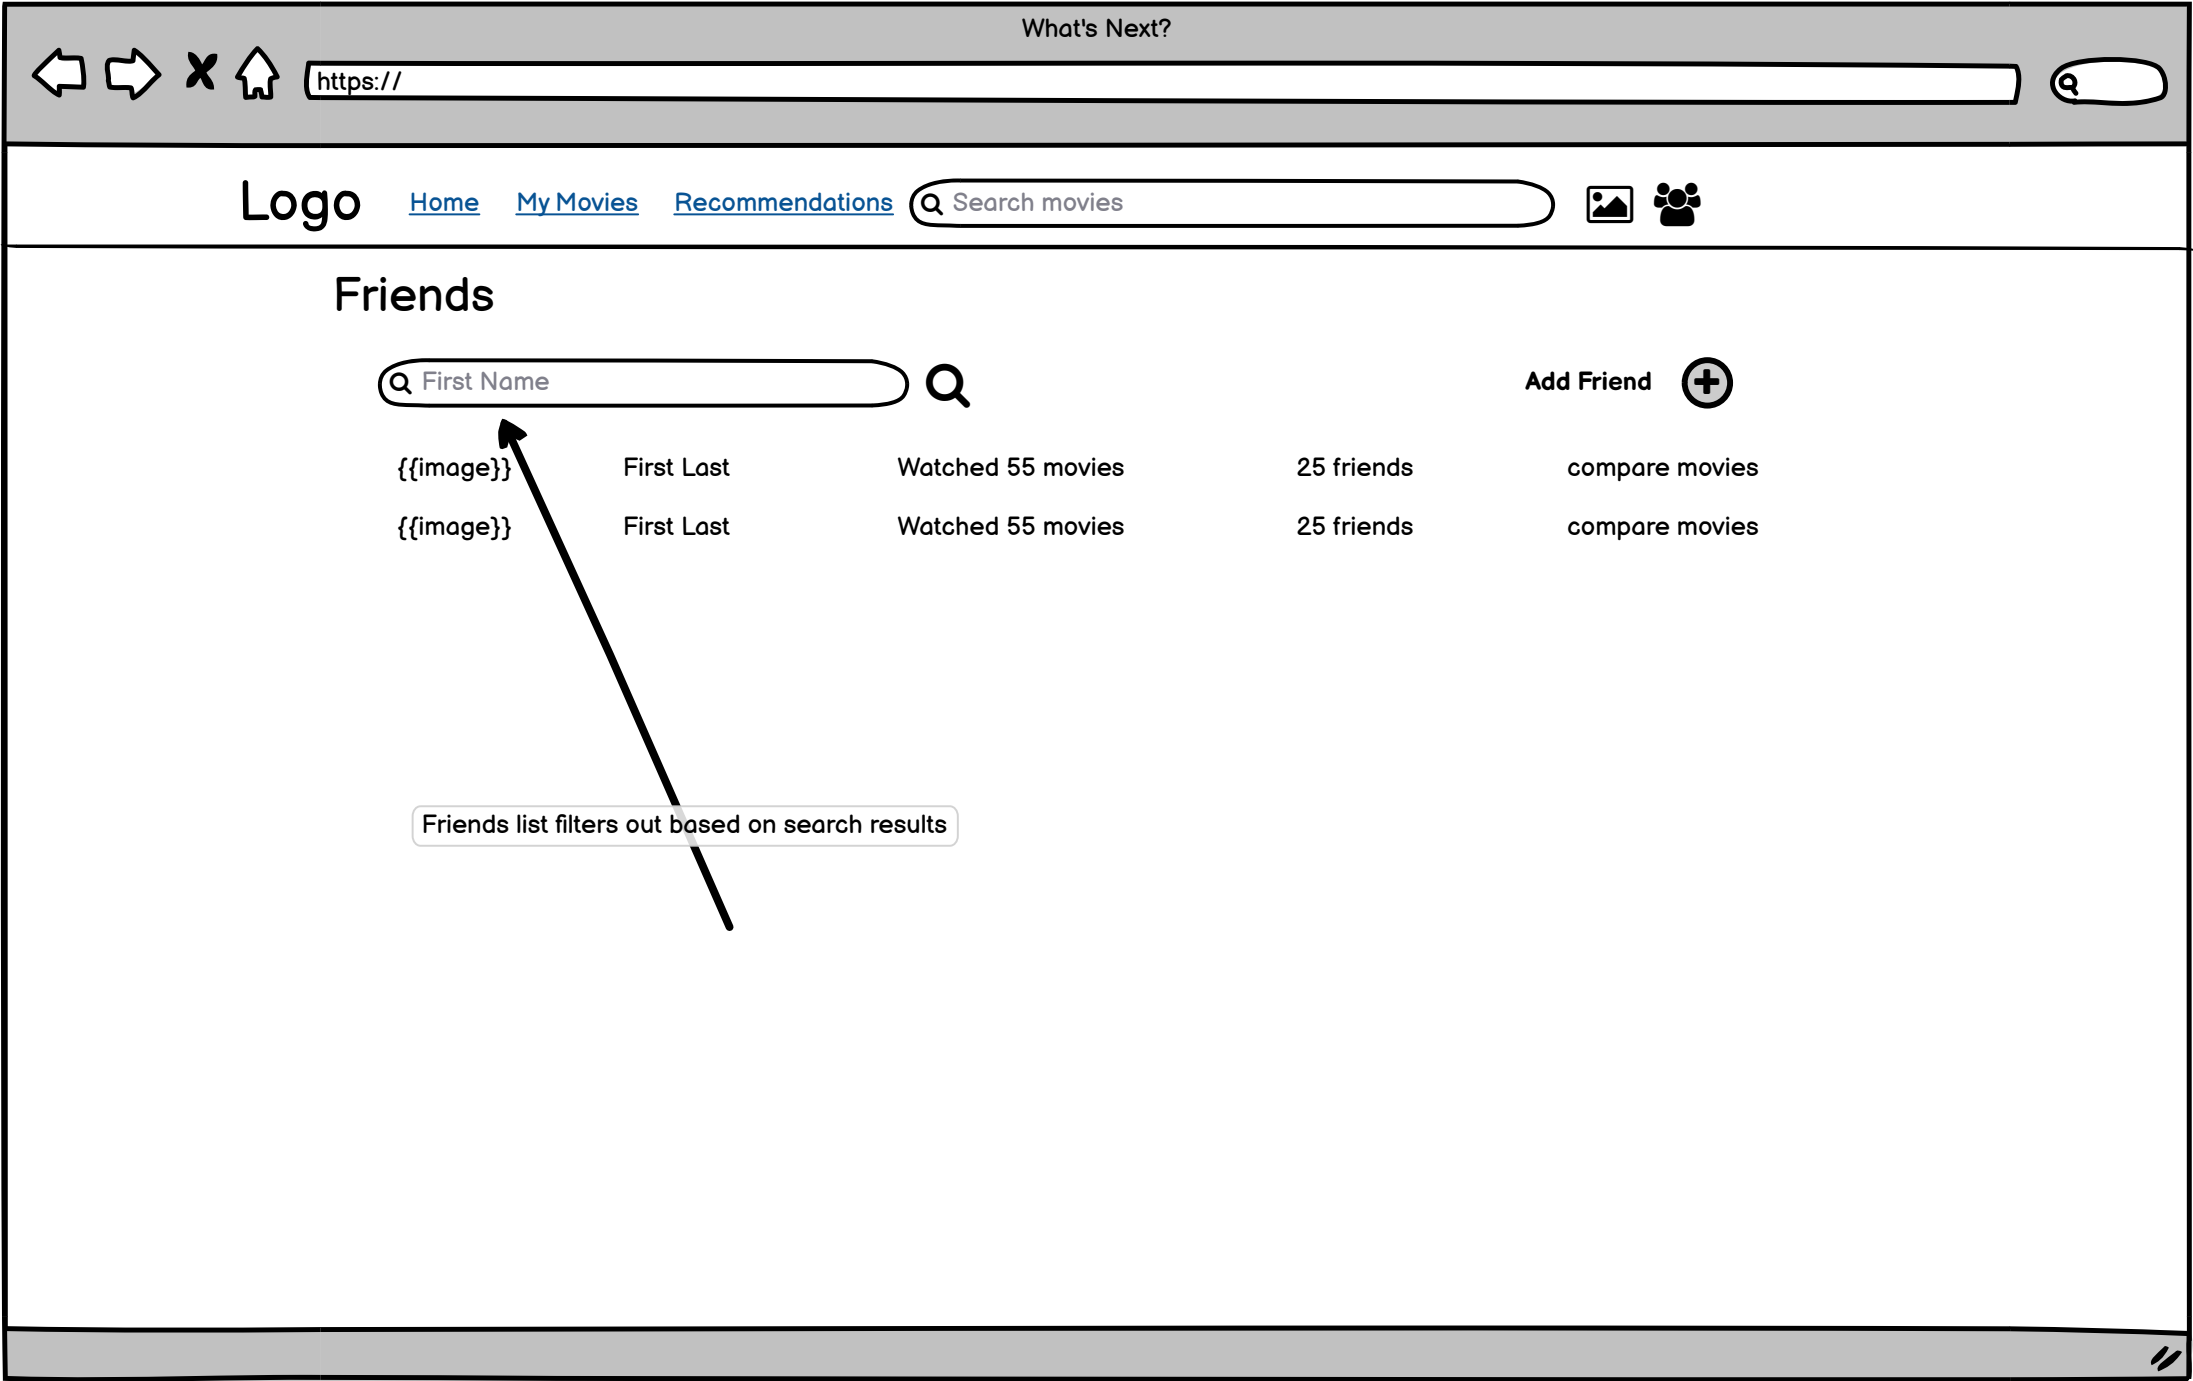

### Deactivate your account?

You will no longer be able to log in.  
You can restore access by  
reactivating your account later.

CANCEL will close the dialog and the  
account will still be active.

Yes, deactivate will deactivate the  
account and log out the account. All  
cookies will be set to NULL and the  
person will no longer be able to log in to  
their account
